HALO

SELFIE STATION

A new generation of photo fun for your next event!

Our Halo booth can also do incredible AI photos. Snapping a photo of your guest and with the magic of AI transforming them into one of over 100 different scenes.

We have preset scenes which include racing drivers, princesses, superheroes and more. We can also limit the categories specific to your request or even holiday periods such as Halloween themes and Christmas themes.

Do you need a specific theme or scene? We can generate custom scenes using your images or using your own specific AI prompt.

AI Photo can be included with any HALO Selfie Station hire at no extra cost! All images can be custom branded. Prints available also with AI Photo.

Leave Us A Message AUDIO GUESTBOOK

Make memories last with our "Leave Us A Message" audio guestbook. This vintage-inspired audio guestbook is perfect for all corporate event, weddings and parties, letting your guests record their own messages. With our audio guestbook Guest Phone, you can cherish the memories of your event for years to come.

HOW DOES IT WORK?

Your guests pick up the phone & listen to a pre-recorded message that you record and we load onto the phone

After the beep, your guests will leave you their own message by speaking directly into the phone.

Once they're done they simply hang up and the next guest is ready to pick up the phone and repeat the process.

After the event we will send you a personalised audio file of all the recorded messages from your guests.

Add the audio guestbook phone to any 360 Selfie Booth booking for only £125!

Event Special Effects

Explore our range of special effects to make your event spectacular! Our effects are perfect for weddings, parties, corporate events, brand activations and many more occasions.

COLD SPARX

The perfect and safe alternative for real firework fountains! All the glitz, colour and excitement of a standard pyrotechnic, without the potential risk and hazard, making it a firm favourite with venues and event managers. No fireworks license needed.

One of our most popular effects are these extremely impressive indoor spark fountains, all the effect of indoor fireworks without any pyrotechnics. Classed as a cold spark there are NO safety or exclusion zones necessary as they produce a cold fallout that is perfectly safe!

Our Spark Fountains provide an awesome effect for your event. They look especially great at cake cuttings, first dances, award ceremonies and all events!

- Adjustable height 2-5 m
- Sparxtar flash option
- Tiltable from -45 up to +45 degrees
- DMX controllable height
- Capacity for 10 minutes of full effect
- Low noise

SHOWSTOPPERS

RGB SMOKE JETS

A powerful smoke machine that gives the effect of a CO2 Jet without the need for CO2 Gas and without the loud noise. The smoke jet can blast a 5m vertical or horizontal stream of safe, water-based fog while simultaneously illuminating the fog to give a coloured plume of smoke effect.

LOW FOG EFFECT

Create a low clouds effect for your event. Our low fogger machine is perfect for stage effects and many more event situations. Producing a gorgeous thick, white fog that hugs the floor closely for a beautiful effect, our low fogger is environmentally friendly and completely safe as we use special fog fluid and water to produce the same "dry ice" effect without the need for hazardous dry ice.

CONFETTI CANNONS

Celebrate with a bang. Easy to use, it's designed for single person setup and operation. Ready to go. No compressed air or CO2 is required to operate. All you need to do is add confetti. Can be floor mounted or hung. Up to 4 units can be fired from 1 remote control.

MAKE IT GREAT

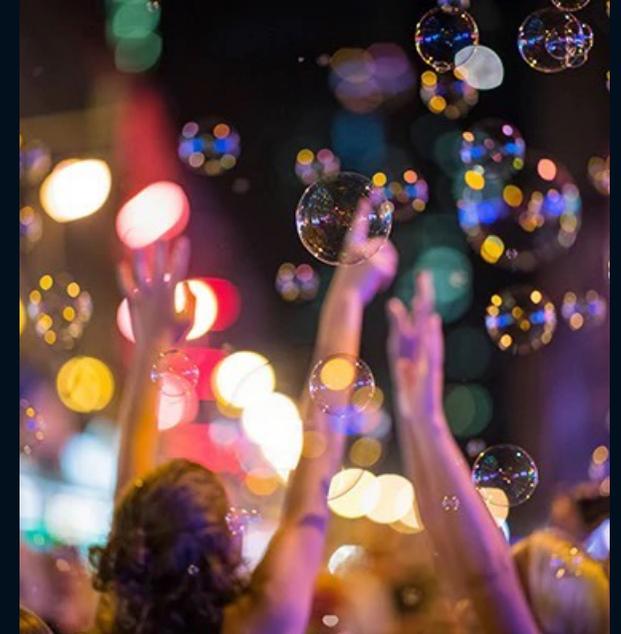

CO2 GUNS

Our CO2 Guns offer an incredible visual effect by producing an 8m white cryogenic fog plume. The gun is lightweight and extremely easy to use. This stunning, repeatable effect is perfect for DJ's, dancers, Bride & Groom and any type of high energy performer.

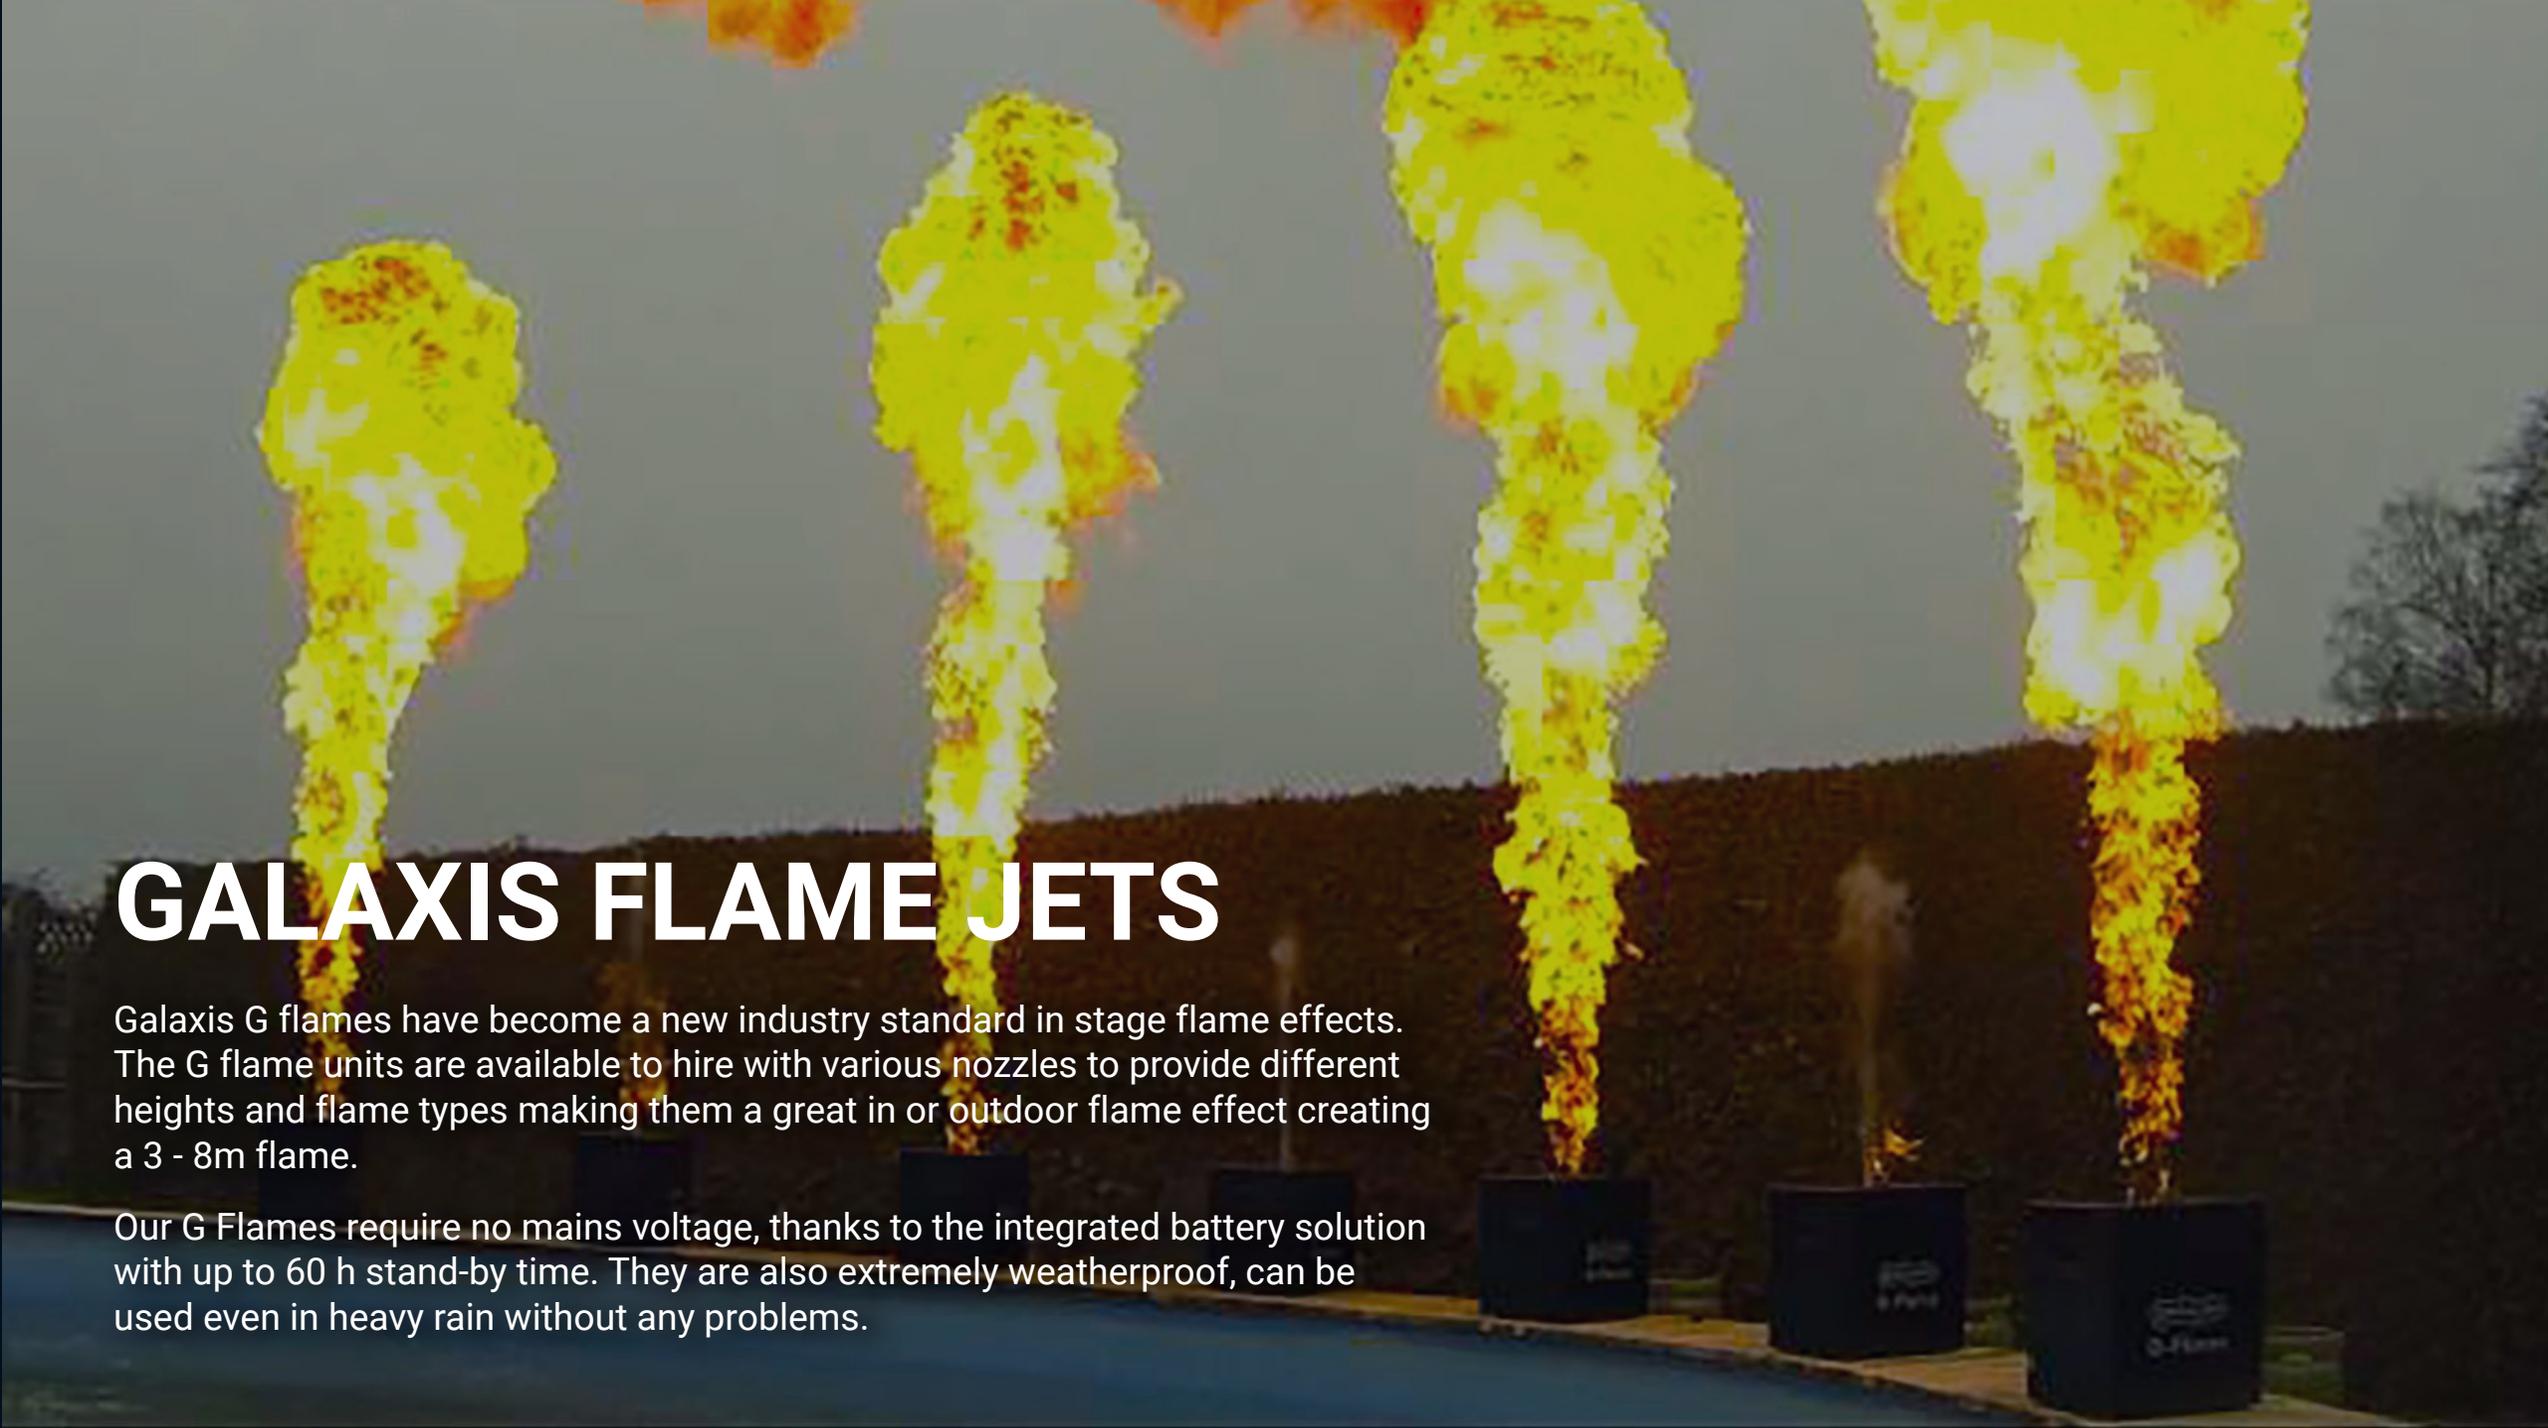

SNOWBOX

A compact but very powerful snow machine. The machine uses foam liquid based snow fluid and blows realistic snowflakes up to 7 metres into the air. A powerful air blower and a special designed silencer, just plugin and create a magical winter wonderland.

BUBBLE MACHINE

This powerful bubble machine has double wheels and dual blower fans, meaning large quantities of bubbly fun for a number of different events. Unleash hundreds of bubbles upon guests at parties, weddings and events for a fun-filled effect for everybody to enjoy!

The image shows four Galaxis Flame Jets in operation. Each jet is a tall, vertical column of bright yellow and orange flames, rising from a dark, cylindrical base. The flames have a textured, almost bubbly appearance. The jets are arranged in a row, and the background is a dark, overcast sky with some trees visible on the right side. The overall scene is set outdoors, possibly at a stage or event location.

GALAXIS FLAME JETS

Galaxis G flames have become a new industry standard in stage flame effects. The G flame units are available to hire with various nozzles to provide different heights and flame types making them a great in or outdoor flame effect creating a 3 - 8m flame.

Our G Flames require no mains voltage, thanks to the integrated battery solution with up to 60 h stand-by time. They are also extremely weatherproof, can be used even in heavy rain without any problems.

Fresh Popcorn

This scent can take you back to time spent at the fairground, a night at the cinema or a day at the circus.

There's one thing that always makes your mouth water and that's the drool-worthy smell in the air of freshly popped popcorn!

Day Hire Up to 6 hours

Each hire includes a friendly Popcorn Pro to make and serve your fresh popcorn, plenty of popcorn servings for all your guests and your choice of sweet or salted or a mix of both!

If you want that personalised touch, we can provide branding options for both the cart and popcorn boxes.

All the fun of the fair and the sweetness of fresh fluffy Candy Floss for your event! Our Candy Floss wizards will whip up clouds of Candy Floss in front of your eyes ready for you to enjoy straight off the stick, cone or packed into a bag.

A woman with long dark hair, wearing a green sequined dress, stands on the left side of the frame, smiling and looking towards a man. The man, on the right, is dressed in a red and white striped shirt, a red apron, and a straw hat with a red and blue band. He is holding a yellow cup and a red and white striped popcorn bucket. Between them is a large red popcorn machine with a glass front. The machine has a sign that says "CLASSIC POPCORN" and "100% CORN". The machine is filled with popcorn, and several more popcorn buckets are visible on the counter in front of it. The background is a simple indoor setting with white walls and some wooden chairs visible on the left.
